Hi Andrea:

I feel extremely sorry for your current plight - out of your home and all.

I wish I had the funds to give to you, but alas, I do not. You should try not working for two years and you will understand what I am going through.

PLEASE TAKE NOTICE that as of this date and time, August 31, 2006 at 6.05 am, you are relieved from representing me in the case before Lynn N. Hughes in which I am Plaintiff. Any attempt at doing so will cause me damage. Nothing personal.

Best regards

Jacques Jaikaran
